Dear English Martyrs Primary School

On behalf of everyone at Rugby Foodbank I would like to thank you for your tremendous support over 2015.

2015 was another very busy year in which we helped 3148 people by providing them with 3 days worth of emergency food. Over the year an amazing 40 tonnes of food was donated and distributed across the town to those in need. Our many volunteers have been very busy in both the warehouse and distribution centres and at supermarket collections. Without your help and countless others across the town in churches, schools, community groups, businesses and individuals we simply would not be able to provide such immediate, necessary and practical help.

Please pass on our thanks to all involved in supporting Rugby Foodbank.

Kind regards,

Diana Mansell
Rugby foodbank Project Manager
