Sex Education Programme Years 5 & 6

Parent Meeting- Years 5 & 6 - Wednesday 1st July 2:45pm

Schools have a statutory responsibility to provide a sex education programme for children in school. As a Catholic school we follow the approved scheme by the Birmingham Archdiocese, 'All that I am'. The governors recently reviewed this and have continued to adopt it in school. Parents are invited into school if they wish to look at the materials and resources which will be used. If a parent has any objections then please come and speak to Mrs Deery about them. The school will automatically assume that parents are happy for their child take part unless they inform the school otherwise.
