

ST. JOHN'S AMBULANCE

Young first Aiders' Certificate

Friday 13th June 2014

The Year 5 children gained the Young First Aiders' Award, which covers all the main elements of basic First Aid. As a school we feel it is important that children are educated for life as well as academically. The pupils' behaviour was outstanding during the training and the provider commented on how engaged our children were and how seriously they undertook the programme.
