"where everyone is special"

2016/2017 - PE and Sport Premium Funding for Primary schools

Total funding allocated for English Martyrs School from the start of the premium is **£35,679**

Breakdown of funding given so far, in financial years:

- £5,200 for September 2013 to April 2014
- £8920 for April 2014 to April 2015
- £8920 for April 2015 to April 2016
- £8924 for April 2016 to April 2017
- £3,715 for May 2016 to September 2017

Since September 2013 schools have been allocated extra funding for improving physical education. The emphasis is on the provision and expertise being sustainable in the school once the money has been withdrawn. The DFE have allocated this funding directly to primary headteachers and is based on the number of eligible pupils in the school from **Year 1 to Year 6**, the grant does not include Reception children. The funding was initially for two academic years but has been extended.

Schools can choose how they use the funding but it must be utilised to make additional and sustainable improvements to the quality of PE and sport they offer. The pupil premium should be used to either develop or add to the PE and sport activities that your school already offers or make improvements now that will benefit pupils joining the school in future years.

Future expenditure 2016/2017

- To continue to utilise specialist coaches during lunch to continue to enable a significant number of children to access additional sports activities and further enhance skills (eg athletics, cricket, table tennis)
- To continue to provide table tennis lessons during curriculum time and build on this specialism in the school leading to a table tennis tournament
- To continue to explore apprenticeship programmes to access free sports provision for children
- To further enhance the Key stage 1 sports provision by children experiencing a wider range of sports within school (eg cheerleading, street dance, fencing, yoga, hockey)
- To purchase sports equipment as identified by the children on the recent pupil questionnaire
- Staff to be trained in the new OAA maps and materials with a lunch OAA club taking place in the Autumn Term
- To continue to be part of the local sports partnership
- To identify sports to continue to offer a broader range of sports that the children have not experienced
- When the government has finally announced to schools how much they will receive as part of the sports funding amend plans as needed
- School wishes to invest in a permanent large structure with appropriate flooring for children to be active on throughout the day. This means that we have not spent all of last year's money and we will not spend all of this year's money to be able to make this purchase.
- Next academic year the school will be getting training on Mindfulness to be rolled out in all year groups (Yoga may also be linked to this)
