Dear Ms Bale

On behalf of Hope 4, I would like to thank the school, and in particular the children who dressed up or came with "crazy" hair, for their donation of £110.85 in support of our work with homeless and badly housed people in Rugby. We have been supported by the school in the past and are pleased to receive this additional gift – it is a great encouragement to us.

Since our move Newbold Road we have seen a significant growth in the number of people needing our support. Larger premises have inevitably seen an increase in our overheads and we need to raise around £70K each year to cover our running costs. We rely entirely on the generosity of individuals, community groups, church groups and charitable trusts, as we currently receive no local or government funding. Each and every donation is extremely important to us and very gratefully received.

Please find attached our receipt for £110.85 and thank you again for this gift.

Yours sincerely

Barbara Coleman Mrs.
